

## Directions to Test Administrators:

Introduce the Tips for Taking TABE CLAS-E to all examinees before the Locator test session begins.

Ensure that all examinees have a copy of TIPS for Taking TABE CLAS-E.

Read each bullet slowly and aloud to the examinees without elaboration, to ensure consistent and reliable delivery of these tips across the state.

### TIPS for Taking the TABE CLAS-E

- You cannot fail TABE CLAS-E. TABE CLAS-E is a tool to help you and your teacher develop a learning plan.
- Read the directions and each question carefully and make sure you understand what it is asking you to do.
- Read all of the answer choices carefully. If you don't know the answer, choose the answer that seems most correct.
- Do not spend too much time on one test question. If a question is too difficult, skip it and return to it when you have finished the easier questions.
- Remember that the score you receive on TABE CLAS-E is just one measure to help your teacher develop your learning plan.
