

# BRiDGE

## BRIDGE SCHOLAR: DR. FANTASY LOZADA

Dr. Fantasy Lozada is an Assistant Professor of Developmental Psychology at Virginia Commonwealth University, where she is a director of the School, Home, and Internet contexts of Emotional Development (SHIELD) lab. Dr. Lozada received her B.S. from the University of North Carolina at Pembroke in 2008, and her Ph.D. from North Carolina State University in 2013. She was a postdoctoral research fellow at the Center for the Study of Black Youth in Context in the School of Education at the University of Michigan from 2013 to 2016. Her research interests include ethnic minority children's socioemotional development, the contribution of ethnic minority children's normative social experiences in offline and online contexts to their socioemotional development and the contributions of ethnic minority parenting beliefs and behaviors to their children's socioemotional development.
